IN MEMORIAM

On November 4, 1970, the school was greatly saddened to learn of the loss of a dedicated member of the faculty. The news of the death of Mr. Morris Weinberg, Chairman of the Related Technical Department, was inconceivable to many.

His years of unselfish devotion to education did not only benefit the students but countless others. Anyone who ever came in touch with him will remember his warmth and compassion, his understanding and deep concern for others.

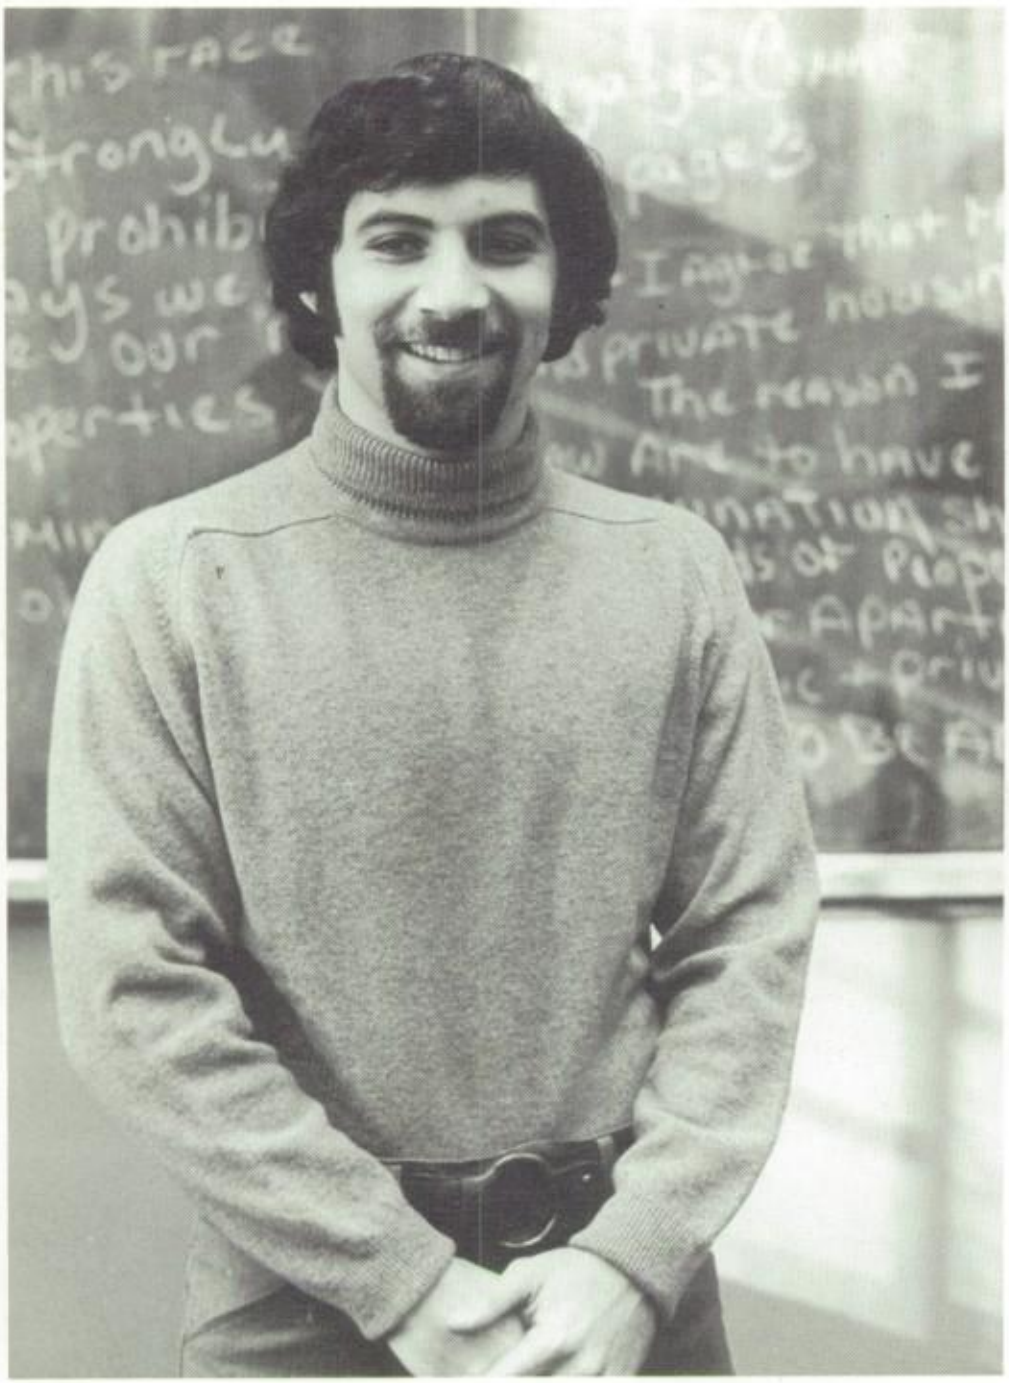
Mr. Weinberg lives in the minds and hearts of those who knew, respected, and loved him. His ideal humanities and acts of kindness left cherishable memories embedded in the minds of those who stayed behind. He will always live in the hearts of his family and friends. And so we accost that which thought it wise to remove his being from earth and without malice say –

DEATH, BE NOT PROUD, THOUGH SOME HAVE CALLED THEE
MIGHTY AND DREADFUL, FOR THOU ART NOT SO;
FOR THOSE WHOM THOU THINK'ST THOU DOST OVERTHROW
DIE NOT POOR DEATH; NOR YET CANST THOU KILL ME.

. . .

ONE SHORT SLEEP PAST, WE WAKE ETERNALLY,
AND DEATH SHALL BE NO MORE: DEATH, THOU SHALT DIE.

John Donne



DEDICATION

We, the senior class of '71, dedicate this yearbook to *you*, Mr. Abatelli.

Our graduating day is drawing near. We, the seniors, have chosen you as our favorite teacher. Many of us have been your students. Others know you as one of their senior advisors.

We admire your teaching methods, the way you carry yourself, the way you dress, and your sense of humor.

We hope that this dedication of our yearbook will show you that we appreciate what you have done for us and what you have meant to us.

JOHN G. KUNIT: PRINCIPAL

June 1971

Dear Graduates:

Congratulations to you as you attain a vital goal in your life!

As you are about to enter a new phase in your career, whether it be in the business or academic world, as a single young lady or a married woman, we feel that you are well prepared to face the challenges that await you. You probably have discovered that life is made up of a series of decisions. Almost every moment you will have to make a choice that may lead to progress and success. Sometimes it may be wise for you to ponder the choices and weigh the alternatives; but generally you should guide yourself to take some positive action. With your training at Jane Addams Vocational High School, we know that you will make the right decisions.

Good luck!

RUTH A. VERNON: ASSISTANT PRINCIPAL

June, 1971

Dear Graduates,

Congratulations on your achievement!

May it be but one of many good things that life has in store for you! As I bid you farewell, I would leave with you the advice of a great man, Dr. Martin Luther King, whose brief life left a lasting impression upon humanity. May these words inspire and guide you.

"Every person must have a concern for self and feel a responsibility to discover his mission in life. God has given each normal person a capacity to achieve some end. True, some are endowed with more talent than others, but God has left none of us talentless. Potential powers of creativity are within us, and we have the duty to work assiduously to discover these powers."

"It is more honorable to walk in dignity than ride in humiliation."

May God go with you always.

Cordially,

Ruth A. Vernon
